2025-03-04 15:43:14	custom	Yes	Hi Mr. Hope, my name is Dave and I'm calling from the Customer Support team at XYZ Car Insurance. We are currently running a promotion for our valued customers and I see that you have a car registered with us. I wanted to take a few moments of your time to go over some exciting new offers that may interest you. Does that sound good to you?
2025-03-04 15:47:59	custom	brilliant yes	That's great to hear, Mr. Hope! I can see that you have 2 children, Junior and Cathy. As a parent, I'm sure you want to ensure the safety and security of your family, especially when it comes to your car. With our new promotion, we are offering a special family discount on our comprehensive car insurance packages. This means you can have peace of mind knowing that your loved ones are protected on the road. To enroll in this promotion, all I need is some basic information from you. Can you please verify your full name and address for security purposes?
